FINAL PRINT: WE'RE GOING DIGITAL!

To better support Bowling Green High School students, the Alumni Association is moving to a fully digital newsletter. Rising printing and postage costs have made it increasingly difficult to maximize funds for scholarships and student support, so this will be our final printed edition.

Going forward, all updates will be shared through our new website, making it easier to stay connected, pay dues, and reserve banquet tickets securely online. Please scan the QR code and subscribe to continue receiving alumni news via email.

Please use the form within this newsletter and send back by September 5, 2026.

Thank you for your ongoing support!
